Extraordinary Events Tour

Join Us On Our Smooth Water Trip And Experience The Wonders Of The Black Canyon

This soft adventure, led by an experienced guide/narrator, allows the passengers to share in the history, desert wildlife and sheer beauty of the Colorado River in the Black Canyon. Launching near the base of Hoover Dam, the passengers get an unique perspective of this modern civil engineering wonder. The trip continues for 12 miles South where the passengers will be surrounded by the majestic canyon walls, float on the smooth crystal blue water and marvel at Desert Big Horn Sheep, Great Blue Heron, desert flora and fauna.

Lunch will take place along the river. Your guide/narrator usually has a favorite lunch beach to stop at and if you wish you can play and swim in the clear cool waters of the Colorado River while enjoying your lunch and the breathtaking Black Canyon scenery. The tour ends at Willow Beach, AZ and the bus will return you to your hotel.
