

Hacienda Hotel & Casino

The Hacienda Hotel and Casino is an oasis waiting to be discovered and is located within view of beautiful Lake Mead, surrounded by majestic mountain landscapes and just minutes from Hoover Dam. For those of you who frequent the Lake Mead area, look close and you may see wild long horn sheep scaling the mountains. The Hacienda also offers live entertainment on stage Wednesday thru Saturday, an award winning Steak House and a buffet that rivals anything on the Las Vegas Strip with 200% more food items than most other buffets. The Hacienda also offers a new gambling complex with a variety of popular state-of-the-art slots, electronic keno, video poker machines and an exclusive Players Club that rivals the market's best. All in all the Hacienda is a great place to settle down and have a little fun.
