Hoover Dam And Lake Mead Cruise

In our Discovery Tour of Hoover Dam we will have access to all the exhibits, see a movie on the construction of the Dam and explore the interior 500 feet down to the power plant. Professional guides posted at points of interest will answer questions and tell about things that are unique to that part of the Dam. Next board Desert Princess the pride of the Lake Mead Cruises fleet, beautiful, clean, spacious and smooth cruising. We will view the Dam from water level and it's a majestic sight to see. We will be served a light lunch on board and enjoy a fun combination of spectacular scenery and good food. We will hear fascinating stories of the Dam's construction and the natural wonder of Lake Mead. On the way to the lake we will visit Ethel M Chocolate Factory and Botanical Gardens to sample candy and cactus

Notice on all Hoover Dam Tours, due to increased security, no baggage, cases, backpacks or fanny-packs will be allowed in the Dam or inside the Visitor's Center. Small purses, cameras and small camera bags are allowed. Strollers and wheelchairs are subject to search.
